Sir/Madam,

I am directed to refer to the subject mentioned above and to state that the primary objective of CME is to encourage Ayush personnel to undergo need-based professional training and to bridge existing knowledge gaps. As per the provisions of the scheme guidelines, "the period of the training program, in case of trainees and resource persons, is to be treated as '**On Duty**', and this provision shall remain applicable even during NCISM/NCH visits/inspections." (copy enclosed)

2. Accordingly, all concerned Ayush Institutions of Central/state/UT/local governments and Directorates are requested to strictly ensure compliance with the above provision and treat the training period of selected participants and Resource Persons as '**On Duty**'.
