About Institute:

Rashtriya Ayurveda Vidyapeeth (RAV), New Delhi is the premier autonomous institution under the Ministry of Ayush, committed to promote and propagate Ayurveda. National level teacher training workshops in various specialty are conducted to enhance capacity building of Ayush sector.

About Programme:

Kaumarabhritya, one among the eight branches of Ayurveda, is dealing with preventive and curative aspects of children from conception to maturity. It deals with stages of development, management of disorders in children. It also emphasizes areas like nutrition and intellect. Our samhitas have an abundance of knowledge in these aspects scattered around, which need to be streamlined for effective practice.

Need for separate protocols arises as children are different from adults in various aspects. The drug selection, dosage, duration etc varies. Thus complete knowledge is needed to effectively handle even common diodes of children. Also they are said to be 'sukumara' vulnerable to various risk factors.

This 2 day training program aims to impart training on Panchakarma in children. Also to understand the diagnosis, prognosis and treatment of disorders like - Developmental, Skin, Kidney, Autoimmune diseases in children and emergency treatment.

Key Features:

- Lectures by experts
- Hands on training
- Open discussion with experts on clinical diagnosis of Kaumarabhritya
